

FOR IMMEDIATE RELEASE

DRESSER MASONEILAN[®] ANNOUNCES AVAILABILITY OF EXPANDED QUICK SHIP PROGRAM FOR CUSTOMERS IN EUROPE, THE MIDDLE EAST AND AFRICA

Program Provides Dependable, Rapid Delivery of Most-Requested Product Lines

HOUSTON (May 12, 2010) – Dresser Masoneilan[®] today announced that the Quick Ship Program available to customers in Europe, the Middle East and Africa has been expanded to include additional product lines.

“At Dresser, we know that time is critical when it comes to replacing valves, instrumentation and spare parts. That’s why we created and continue to expand our Quick Ship Program,” said Andrew Norman, president of Dresser Flow Technologies, Europe and Africa, India, Middle East. “The Quick Ship Program is designed to help customers maximize valve uptime, which helps them keep operations running and reduces costs associated with downtime.”

The expanded Quick Ship Program provides dependable, rapid delivery of Dresser Masoneilan products to locations specified by customers, even for large size control valves. The Quick Ship Program addresses Dresser Masoneilan’s most-requested product lines, including:

- Camflex[®] 35002 Series Eccentric Plug Rotary Valve
- 21000 Series Reciprocating Globe Valves
- 41005 Series Heavy Duty, Cage Guided Globe Valves
- Varipak[®] 28000 Series Micro Flow Control Valves
- 535H/536H Series High Capacity Pneumatic Regulators
- 12400 and 12800 Series Digital and Pneumatic Level Transmitters
- 1900 Safety Relief Valves
- 19000 Safety relief Valves

Complete control valves and digital instrumentation will be shipped at shortened lead times, from Dresser Masoneilan’s manufacturing operations and rapid response centers. Specifications on Quick Ship products, such as size, materials and connections can be obtained by contacting a local Dresser Masoneilan office or representative. www.dressermasoneilan.com.
